

Children's Liturgy

Our Mission is to bring the Gospel to the children of the Parish. We sing together, we read together, and we show what we learned. We have Mary and Jesus as our teachers and heavenly family. Our Catechists are volunteers who were chosen to help us understand the Gospel for our age and our love for Jesus and Mary. We believe that learning the Gospel is a matter of the heart. What was freely received is freely given.

Dear families: Thank you so much for letting the children join us, a special thank you to all the nuns and priests that educated us and guided us to be here today sharing with you. Thank you, Reverend Fathers Salesians, Brothers Franciscans, all our Reverend Fathers through the years and to all the nuns from all the orders that with gentle ways brought us closer to Jesus and Mary. All the religious people we met in Peru, Philippines and Canada.
